CERTIFIED TRUE COPY of the original certificate retained on file with Bombardier Q.A.

1. This document does not constitute authority to install the part.
  2. Where the installer works in accordance with the national regulations of an airworthiness authority other than the authority specified in block 1, the installer must ensure that his/her airworthiness authority accepts products or maintenance from the airworthiness authority specified in block 1.
  3. Statements 14 and 19 do not constitute installation certification. In all cases, the aircraft technical record must contain an installation certification, issued in accordance with the national regulations of the state of registry, before the aircraft may be flown.
- \*. Installer must crosscheck eligibility with approved data.
