| USER/INSTALLER RESPONSIBILITIES   |   | Note: 1. This certificate does not automatically constitute authority to install the item(s). |        | 2. Where the user/installer performs work in accordance with regulations of an airworthiness authority different than the airworthiness authority specified in block 1, it is essential that the user/installer ensures that his/her airworthiness authority accepts items from the airworthiness authority specified in block 1.   |                 | 3. Statements in blocks 13a and 14a do not constitute an approval certificate. In all cases aircraft maintenance records must clearly and unambiguously certify that the work identified in block 11 and described in block 12, was accomplished in accordance with the approval conditions by the user/installer before the aircraft may be flown. |  |
